Subject: FRWRD User Charges and Fees  
Proof of Payment for Residential Closings in Elgin and South Elgin

To Whom It May Concern:

Regarding assessments and fees of the District for residential users within our service area, the District collects fees for service in two ways. Charges for District services are included on the property tax bill for each parcel within the service area and District services are charged on the combined sewer and water bill sent by either the City of Elgin or the Village of South Elgin.

The property taxes and the combined sewer and water bill for a property must both be paid in full prior to completing a residential closing. If evidence of full payment for both of these items is provided, then the assessments and fees associated with the District have been evidenced as paid in full.

To obtain verification that the sewer and water bill has been paid in the City of Elgin, the City of Elgin's transfer stamp is required. The phone number for the City of Elgin's Transfer Stamp program is (847) 931-5639.

In the Village of South Elgin, the payment of a final Village of South Elgin water and sewer bill is required by the Village. The phone number for the Village of South Elgin's water billing department is (847) 742-5780.

Feel free to contact me at 847-742-2068 if you have further questions regarding the District's fees for residential users.

Respectfully,

Beth K. Vogt, P.E.  
Technical Services Director  
Fox River Water Reclamation District
