

FRWRD 
FOX RIVER WATER RECLAMATION DISTRICT
1957 N. LAFOX (RTE 31), SOUTH ELGIN, IL 60177 / P.O. BOX 328, ELGIN, IL 60121 / PH. (847) 742-2068

October 10, 2019
(Second Notice)

Dear Skyline Water Customer,

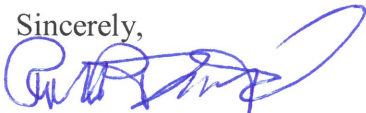

The Illinois Commerce Commission (ICC) has recently approved the Fox River Water Reclamation District's (FRWRD) request to transfer the ownership of the Skyline Water and Sewer system to Aqua Illinois, Inc. (Aqua). FRWRD will continue to treat the Skyline sewage at the District's wastewater treatment plant in Elgin. In preparation for finalizing the sale, FRWRD and Aqua will host a joint open house on Tuesday, **October 15, 2019** at the Skyline Water Treatment plant at **106 Ramona Lane, St. Charles, IL 60174** from 4:00 PM – 7:00 PM.

This open house will operate similar to a real estate open house. Residents can attend the open house as your schedule allows between 4:00 pm and 7:00 pm to ask questions and tour the water treatment plant.

Residents are encouraged, but not required, to attend this open house to learn more about Aqua Illinois. Aqua will explain options you will have for paying your water and sewer bill, which will include online payment using credit or debit cards.

If you have any questions about the approval process from the ICC, you can visit their website at <https://www.icc.illinois.gov/> and reference Docket No. 18-0785.

Sincerely,

Robert Trueblood
Executive Director
