

**FOX RIVER WATER RECLAMATION DISTRICT
KANE AND COOK COUNTIES, STATE OF ILLINOIS**

**NOTICE OF SPECIAL PUBLIC INFORMATIONAL MEETING
CONCERNING THE SALE OF THE SKYLINE SEWER AND WATER SYSTEM**

The Board of Trustees of the Fox River Water Reclamation District, an Illinois sanitary district organized under the Sanitary District Act of 1917 (the “District”) in conjunction with Aqua Illinois, Inc. will hold a special informational public meeting on Tuesday, October 15, 2019 from 4:00 P.M. to 7:00 P.M. at the Skyline Water Treatment Plant, 106 Ramona Lane, (a/k/a 06N080 Ramona Lane), St. Charles, Illinois 60174, concerning the proposed sale of its drinking water system and its wastewater collection system assets to Aqua Illinois, Inc., for \$3,550,000.00. Any sale is subject to approval by the Illinois Commerce Commission and this sale has received approval from the Commission.

Pursuant to Public Act 098-0213 as extended by Public Act 100-1151 of the State of Illinois, this notice put forth by the Fox River Water Reclamation District advises the public that Aqua Illinois, Inc., will present the terms of the proposed sale including the multiple options that will be made available to assist customers to pay their bills after the sale. These options include: on-line bill paying, pay by phone, mail in payment, credit card payment and budget billing.

This sale will enable the Fox River Water Reclamation District to focus on its primary service of sewage treatment and will reimburse the District for a portion of the large expenditures it has made to improve the Skyline sewer and water system for the benefit of the community.

All persons interested are invited to attend this public informational meeting. For more information, please contact the District Office 847-742-2068.
